- J. Fiscal Year is coterminous with the County's fiscal year and which is comprised of the 12 consecutive months from July 1 to June 30.
- K. OCC means the Office of Contract Counsel and is synonymous with Maricopa County.
- L. Parties or Party mean OCC, the County and Contractor, as the context requires.
- M. Reimbursable Expenses means expenses which are (1) reasonable and necessary; (2) for the legal representation of a Client; and (3) approved in advance by the Contract Administrator. - O. Trial means participation in a court hearing at which jeopardy has attached, witnesses are sworn, and testimony is taken. A trial day is 3.5 or more hours of trial time; a half-day is less than 3.5 hours.

2. *TERM**

The Contract begins on July 1, 2004 (the "Commencement Date") and expires on June 30, 2007, unless extended, amended or terminated consistent with the provisions of the Contract.

3. RIGHT TO EXTEND CONTRACT

The County may, at its option and with the approval of Contractor, extend the term of the Contract up to a maximum of 3 additional one-year periods. Contractor shall be notified in writing by OCC of the County's intention to extend the contract period at least 30 calendar days prior to the expiration of the original contract period. Nothing herein shall be construed to guarantee that the County will subsequently extend or award a Contract.

4. DEFAULT, SUSPENSION AND TERMINATION

- A. The Contract Administrator may suspend, modify or terminate the Contract upon Contractor's failure to perform, or upon the occurrence of an event that may cause or result in Contractor's failure to perform any requirement of the Contract. Failure of performance shall include failure by Contractor to fulfill the reporting requirements of the Contract. *** Additionally, Contractor's contract may be terminated due to economic events that may have an adverse effect on the Office of Contract Counsel's budget. Termination will be based on the applicant's score and the court facility that is showing the greatest impact.
- B. The County may terminate the Contract as follows:
1. No Cause: Upon thirty days written notice to Contractor.
 2. For Cause: Immediately upon written notice to Contractor.
- C. Contractor may terminate this contract upon 30 days written notice to the Contract Administrator. Contractor's termination of a contract(s) does not terminate contractor's duty to continue representing those cases/persons assigned to contractor prior to the effective date of termination. See paragraph 6(D) below.

5. NON-EXCLUSIVE STATUS

OCC may provide the same or similar professional services through persons or firms other than Contractor.

6. CONTRACTOR'S RESPONSIBILITIES

- A. Effective Representation. Contractor shall provide effective legal representation of the Client including, but not limited to, the following:
1. contacting the Client concerning the representation within 48 hours of notice of appointment;
 2. maintaining reasonable contact with the Client until the representation is terminated;

3. using reasonable diligence in notifying the Client of necessary court appearances, including any court action that arises out of the Client's non-appearance; and
 4. conducting such interviews and investigation as are appropriate.
- B. Accept Assignments. Contractor shall accept all assignments made by the Contract Administrator unless Contractor is not ethically permitted to accept the Representation under the Arizona Rules of Professional Conduct.
- C. Replacement Representation. In the event Contractor becomes unable to complete an assignment and is allowed to withdraw, Contractor immediately shall report the circumstances to OCC so that OCC may appoint replacement counsel. OCC may require Contractor to account for the time Contractor has actually expended and to return any payment for the Representation where appropriate.
- D. Continuing Representation. Contractor has a continuing duty to represent Clients until the court has terminated the Representation. Termination of a contract(s) by either the County or the Contractor does not terminate Contractor's duty to provide services in those cases assigned prior to the effective date of termination. The County will not compensate Contractor for services rendered after termination or expiration of the Contract absent extraordinary circumstances.
- E. Removal for Failure of Performance. In the event a Court removes Contractor from Representation due to any failure of performance relating to the Representation, Contractor shall reimburse the County for any payment made to Contractor relating to the Representation and provide a written explanation of the failure of performance.
- F. Determination of Indigence. Contractor shall notify the court and request a re-determination of the Client's indigence if reasonable grounds exist to believe that a Client is not indigent. In the event the court permits Contractor to withdraw from the Representation, Contractor may not represent the Client for a fee arising out of that Representation without prior written approval of the Contract Administrator. In the event the court permits Contractor to withdraw from the representation, Contractor shall notify OCC of that ruling.
- G. No Additional Compensation. Contractor may not solicit or accept private or additional compensation of any kind, including attorneys' fees or damages, in any matter that relates to or arises out of a pending assignment or Representation, other than compensation as specified in the Contract.
- H. Records and Reports. Contractor shall create and keep detailed and accurate case logs, final disposition records and time sheets relating to the Representation. Contractor will report on a timely basis data and statistics periodically to the Contract Administrator in the manner prescribed by OCC. Failure to submit case logs, final disposition records and time sheets in the time and manner specified by OCC will result in withholding compensation until the contractor is in compliance. Contractor shall make available for inspection and copying by the County all records and accounts relating to the work performed or the services provided under the Contract, except any document that is privileged as an attorney-client communication. Contractor shall safeguard confidential and privileged information in accordance with all applicable laws, rules, and regulations. ***See also Section I, Part 6, subsection T.
- I. Cooperation. Contractor shall assist the County in monitoring Contractor's performance of the Contract. Contractor shall cooperate with other OCC contractors and staff, and shall carefully plan in order to perform duties under this contract timely and effectively. Contractor shall not commit or permit any act that will interfere with the performance of work by the Contract Administrator, any Contract Attorney or their staffs. Contractor shall notify OCC if any non-contract counsel enters an appearance on behalf of a criminal defendant or a Knapp v. Hardy or other basis.

- J. Vacation Days. Contractor may designate 10 days during the term ("Vacation Days") for which no appointments will be accepted; provided, however, that the last 10 days of the contract term may not be designated as Vacation Days unless Contractor has received the total number of assignments authorized pursuant to the Contract. Contractor shall facilitate the orderly scheduling of cases by notifying OCC, in writing, at least 14 days prior to invoking this provision.
- K. Substitute Performance. This is a personal services contract between Contractor and the County. Contractor may substitute performance only a) through a conflict-free Contract Attorney and b) with the written consent of the Contract Administrator. ***No previous substitute performance agreements are recognized or accepted by OCC simply because a previous Contract Administrator gave verbal or written consent to such agreements. Any previous consent to such agreements is revoked. Contractor shall provide a substitute performance ***only in the event Contractor is ill, on approved vacation, or otherwise unable to appear at any court proceeding. Notwithstanding the foregoing, Contractor shall remain primarily responsible for the performance of the Contract.
- L. Requests for Expenditures. Contractor shall submit for approval by the Contract Administrator all requests for payment of expert witness fees, travel expenses, publication of legal notices, social workers, service of process (other than local service), court transcript fees and other expenditures. Contractor may not incur any expense for the account of the County without prior approval of the Contract Administrator. *** Failure to obtain prior approval will result in non-payment for the expenditure and the debt shall become the personal responsibility of the contractor. ***A copy of the approval must be given to the approved experts, transcriptionist, investigators, newspapers etc. for their billing purposes prior to the commencement of their work. *** If an approved expert, transcriptionist, investigator or other person exceeds the OCC approved amount for the expenditure, OCC is not obligated to pay any such overage and it becomes the personal responsibility of the contractor. When billing for reimbursement, receipts for all expenses must be attached. All expenses must be approved by OCC prior to the inception of the expense.
- OCC will not reimburse Contractor for office supplies, secretarial or other staff services, transcripts of witness interviews or any other type of expense that involves the general cost of doing business including, but not limited to, long- distance telephone calls, unless approved in advance by the Contract Administrator as an extraordinary expense.
- M. Investigators. Contractor shall submit for approval by the Contract Administrator any request for appointment of an investigator. *** OCC will appoint an investigator from a group of contracted investigators and approve a specific maximum number of billable hours to be expended by the investigator on the case. Contractors no longer have the ability to designate which investigator he/she may want. Any such designation will be done by OCC. Contractor will be responsible for reviewing and certifying the investigator's billings prior to payment by OCC.
- *** Additionally, conducting witness interviews arranged by the prosecution is **not** the responsibility of the investigator. Conducting these interviews is the responsibility of the assigned lawyer unless the lawyer cannot be present due to illness or other unforeseen emergency. Then, and only then, will investigators be permitted to bill for the time spent conducting this type of interview.
- N. ***Mitigation Specialists. Contractors may submit for preliminary approval by the Contract Administrator any request for appointment of a mitigation specialist. If the nominated mitigation specialist appears to be available to perform the requested work in a timely basis, contractor will request that the assigned trial judge make the appointment. Only upon the approval of the trial judge will the mitigation specialist be authorized to initiate work on the case. In the event that the mitigation specialist should need additional hours, the contractor is then responsible for filing a request with OCC which will then forward the request to the court for approval. Failure to obtain prior approval will result in non-

payment and the debt shall become the personal responsibility of the contractor. A copy of the trial court's order of appointment must be given to the appointed mitigation specialist prior to the commencement of any work either at the outset of, or during, an appointment.

- O. Appointment of Interpreters. Court Interpreters will be used for non-English-speaking Clients as reasonable and necessary for all court proceedings and out-of-court matters.
- P. Requests for Court Authorization. Any request made of any Court for any order directing any action ***or payment by OCC or Maricopa County must be served upon the Contract Administrator in compliance with the Rules of Criminal Procedure regarding notice of motions. ***Also see Section I, Part 6, subsection S.
- Q. Compliance with Law. Contractor will comply with all laws, including rules and regulations of all governmental accrediting and regulatory authorities, including the State of Arizona, relating to the licensure and regulation of attorneys. ***In event the contractor is suspended by the Arizona State Bar, on an interim or other basis, contractor must notify OCC of this suspension so that appointment of cases may be stopped. Failure to comply with such notice will result in termination of contractor's contract(s).
- R. ***Technological Equipment. Contractor must possess the following equipment to meet the needs for OCC appointment protocol effective July 1st:
 - 1. Desktop computer operating system or laptop computer,
 - 2. Microsoft Windows Software and Adobe Reader;
 - 3. E-mail address; and
 - 4. Pager and/or cell phone.
- S. ***Court Orders for additional compensation. In the event that a contractor files a motion with any Court for additional compensation that otherwise would not be covered under the contract, contractor must timely serve a copy of the motion upon OCC. Failure to give OCC notice of a motion for additional compensation on a timely basis will result in either suspension or termination of the contract.
- T. ***Monthly Case Logs. All logs must be returned via Internet to OCC by the date designated by the department. This includes all changes to case dispositions, hours-to-date and possible credits. Failure to submit Case Logs by the designated date will result in the withholding of contractor's monthly contract payment or other payments made by the department on a case-by-case basis until such documentation is provided.
- U. ***Billing Period. Any case reported to OCC that is six (6) months old or older from the date of appointment will not be compensated by OCC. In addition, no service rendered by contractor that is six (6) months old or older will be paid by OCC. Any such claim must be submitted to the Office of County Counsel.
- V. ***Attorney Complaints. Any complaint made about a contractor will be forwarded to Contractor with a request for a response to the complaint. The contractor must respond to the complaint in writing within 10 days and submit a copy of Contractor's response thereof to OCC.

7. AVAILABILITY OF FUNDS

Contractor and the County acknowledge that the continuation of any contract after the close of the County's fiscal year, (on June 30 of each year), is contingent upon the approval of a County budget that identifies such contract as an authorized expenditure. The County does not represent that any budget item will be actually adopted. The approval of such expenditures are the exclusive province of the County Board of Supervisors at the time of the adoption of the budget.

8. INDEPENDENT CONTRACTOR

- A. Contractor's relationship to the County shall be as an independent contractor and not as an employee.
- B. This contract does not constitute, create, give rise to or otherwise recognize a joint venture, partnership, ***or employment relationship. The rights and obligations of the Parties shall be only those expressly set forth in the Contract.
- C. No persons supplied by Contractor in the performance of obligations under the Contract are considered to be County employees, and no rights of County civil service, retirement or personnel rules accrue to such persons. Contractor shall have complete responsibility for all salaries, wages, bonuses, retirement withholdings, workmen's compensation, other employee benefits and all taxes and premiums relating to such persons, and shall save and hold the County harmless with respect to those responsibilities in the event of a claim for one or more of them is brought against Maricopa County.

9. RIGHTS IN DATA

The County shall have the use of data and reports resulting from the Contract without cost or other restriction. The County shall have complete discretion to create or prepare reports or compilations of data relating to the Contract. The data and reports or compilations of data are public records under Arizona law.

10. MALPRACTICE INSURANCE

- A. Contractor will provide to the Contract Administrator a declarations page for a current certificate of insurance for errors and omissions (professional malpractice) coverage in an amount not less than ***\$250,000/\$500,000. ***Errors and omissions Insurance must remain in force during the entire term of the Contract. In the event Contractor's insurance is terminated or suspended, Contractor shall immediately notify the Contract Administrator. Failure to provide proof of errors and omissions coverage during any period of the contract shall result in its termination. Proof of errors and omissions coverage is due on the first day of the second month of the effective date of the contract.
- B. Contractor shall not be entitled to coverage or costs of defense from County or its Self-Insurance Trust from liability or other claims arising from Contractor's performance under the Contract.
- C. Contractor agrees to indemnify the County and hold it harmless from any claim that may arise from Contractor's performance of the Contract.

11. AMENDMENTS

All amendments to the Contract must be in writing, signed by both Parties, and approved by the Maricopa County Board of Supervisors. In the event Contractor becomes temporarily unable to perform the Contract, the Contract Administrator and Contractor shall make reasonable efforts to temporarily suspend payment under the Contract.

12. STRICT COMPLIANCE

Acceptance by OCC of a performance that is not in strict compliance with the terms of the Contract shall not be deemed to be a waiver of any term including strict compliance with all other terms.

OCC may recover from Contractor any sums due through an action at law or as a setoff or counterclaim.

- A. Contractor accepts the compensation provided in the Contract in lieu of any other claim, demand, request or compensation for the services that Contractor provides pursuant to the Contract.
- B. ***Contractor's obligations, including the duty of continuing representation, under this section shall survive the termination or expiration of the Contract.
- C. Any dispute concerning the reasonableness or adequacy of the compensation under the Contract shall be resolved by reference to the value of the Contract as a whole and not by reference to a single case or to a portion of the cases that Contractor has performed under the Contract. The value of the Contract as a whole shall be determined by reference to the following factors:
 - 1. County's average cost per case for all the services provided by Contractor under the Contract, compared to the County's average cost per case for the same services performed by the Public Defender, Legal Defender, Legal Advocate, and other Contract Attorneys;

- D. Third Party Beneficiaries; No Rights Conferred on Others. If any provision of the Contract is declared void, invalid or unenforceable, the Party who would have enforced the provision may elect whether the provision shall be (i) modified to the extent necessary to make it valid and enforceable or (ii) excluded from the Contract.
- F. Remedies Cumulative. Any remedy in the Contract is cumulative and is not exclusive of any other remedy nor does it limit any other legal or equitable remedy that may be available to any Party.

24. *****MISCELLANEOUS**

- A. Process Server
Currently, OCC has purchase agreements with E-Z Messenger and Frontier Attorney Services. Once you have a subpoena issued by the Clerk of the Court, contractor may give it directly to one of the firms for service without pre-approval by OCC. You must, however, use the appropriate form so that these firms know to invoice OCC and not you.
- B. Court Reporters
Only Appellate and Post-Conviction relief transcripts are paid automatically by OCC. Any other use of court reporters or transcriptionists must be approved before hand by a Request for Expenditure of Funds. It is the contractor's responsibility to deliver the approval to the appropriate vendor. As a general rule, when you request transcripts during a trial (to impeach a witness, etc.), you should make it clear to the court reporter that you alone are requesting a transcript of the testimony and that OCC will pay \$2.50 per page for the original only and an additional \$0.30 per page for one copy. If a motion for retrial is granted, the County Attorney and Defense should share the cost of the transcript of original trial. OCC encourages you to bring this to the court's attention. RUSH (w/in 5 days) and EXPEDITED (w/in 10 days) transcription requests are strongly discouraged. OCC requires that contractor justify such requests with an explanation of why this expense was unavoidable. In the necessity for rush service is the result of delay on contractors part, contractor will be required to pay the premium rate differential to the court reporter.
- C. Audio and Video Tape Transcription
Currently, the only approved contract vendor for audio and videotape transcription is A/V Tronics. It is the responsibility of each contractor to deliver the tapes in time to take advantage of the Regular delivery rate (\$2.50/page) of 20 calendar days. The Expedited delivery rate (\$2.75/page) of 10 calendar days and the Rush delivery rate (\$5.00/page) of 1 day will not be approved absent extraordinary circumstances.
- D. Travel
All travel for contractors, witnesses or experts must be pre-approved and scheduled through OCC. If a car rental is necessary, OCC will ask that contractor supply OCC with contractor credit card information so that a vehicle may be reserved for contractor. OCC will work with contractor to make these arrangements.
- E. Identification Badges
Identification badges are available to contract counsel at no charge. To obtain an identification badge please contact OCC at 602/506-7228 for an appointment.

F. Change of Address/Firm

Please advise OCC promptly in writing of any changes to telephone numbers, e-mail addresses and business addresses. If contractor's business changes its name, i.e., if you form a new P.C., etc., please remember that this will modify the contract contractor has with the Board of Supervisors. OCC asks that you notify OCC in writing, but also work with OCC over the phone, so OCC know who to pay and where to send the checks.

G. Weapons policy

No weapons, loaded or unloaded, props or real, are to be brought into the courthouse buildings. There are security lockers for storage of these items in the court buildings. If you have questions regarding this policy, call Court Administration at (602) 506-3070

H. Contractor Residential and Business Locations

Due to the nature of our business, OCC cannot contract with an individual who resides or whose business location is outside of Maricopa County.

7.

*****EXTRAORDINARY CASES**

Contractor may petition the Contract Administrator for additional compensation for any assignment that requires Contractor to expend an extraordinary amount of time or request that the case be re-designated as a major felony matter. The Contract Administrator may postpone a determination as to the extraordinary nature of the case or the amount of additional compensation until after the Contractor has completed the matter. The Contract Administrator will consider the following factors in determining the amounts of additional compensation:

- A. The complexity of the case;
- B. The time within which the contractor must be prepared for trial or sentencing;
- C. The duration of the case;
- D. The contractors overall compensation under the entire contract; and
